

Animal Testing Declaration

Lecenté (Nail Perfection Ltd) supplies a range of glitter and nail art products into the cosmetics industry worldwide. Products manufactured for the Lecenté Cosmetic Glitter range are not tested on animals, nor are third parties contracted to undertake any animal testing.

We also do not sell in to countries that require animal testing.

We do not knowingly do business with any company that tests products on animals.

All Lecenté products are vegan* and are manufactured entirely from synthetic or plant derived materials.

*please refer to our document regarding brushes
